Tri-M Music  
HONOR SOCIETY

### Marple Newtown High School – Chapter #764

September 1, 2015

Dear Marple Newtown Music Family,

The Marple Newtown High School has re-activated the Tri-M Music Honor Society for students currently involved in the music program. Students currently in grade 10-12 are eligible to become members at this time.

**What is the Tri-M Music Honor Society?** Tri-M, once named the "Modern Music Masters," is the international honor society for music students in junior and senior high schools. It is a program of NAfME: The National Association for Music Education, an association of over 85,000 music education professionals nationwide who realize the importance of motivating students and recognizing music achievements.

**What does Tri-M do?** Many things! Tri-M serves our school and community in various ways including: ushering concerts and performances; working in the PAC concessions stand; serving as school leaders and ambassadors, tutoring younger children in music; performing at school or community events; honoring people in the community for their contributions to the school music program; sponsoring concert attendance, raising money for charitable projects, and much, much more!

**What do I do to become a member?** Tri-M is an honor society and membership does have specific criteria for Musicianship, Character, Service, Leadership, Scholarship, and Attendance. A performance component is required for acceptance in the honor society.

**All membership information can be found at this link on our chapter web page on the TigerMusic.org website.**

Students and families should review the membership information on our webpage, self-screen on the eligibility requirements, then make careful decision to join this Honor Society. We have no membership quota or limit: if you meet the criteria, and are interested, you can become a member!

A membership application includes completing:

1. Application page with student and parent signatures
2. Typed essay to application questions
3. Three non-music teacher recommendations
4. Copy of transcript, current MP3 Grade Report and complete attendance history report.

All applications for new members and for renewing members must be submitted in hardcopy **NO LATER than May 1, 2016.**

Sincerely,

Mr. Massimo, Mrs. Reese, and Mr. Vogel, co-advisors
